SHADOW 62

Foreword

We the Annual Staff, are proud to present to you the 1962 SHADOW. This year has been one filled with many experiences which we shall never forget. This book has caught glimpses here and there, so that in years to come the activities of this school year at Ringgold High will not be dimmed and will not fade from memory.

The joys, the sorrows, the fun and the hard work --- these are all part of our memories of this past year. If through this book you should recall the highlights of this year, we can be content knowing we have in some way completed the job appointed us.

Counselor

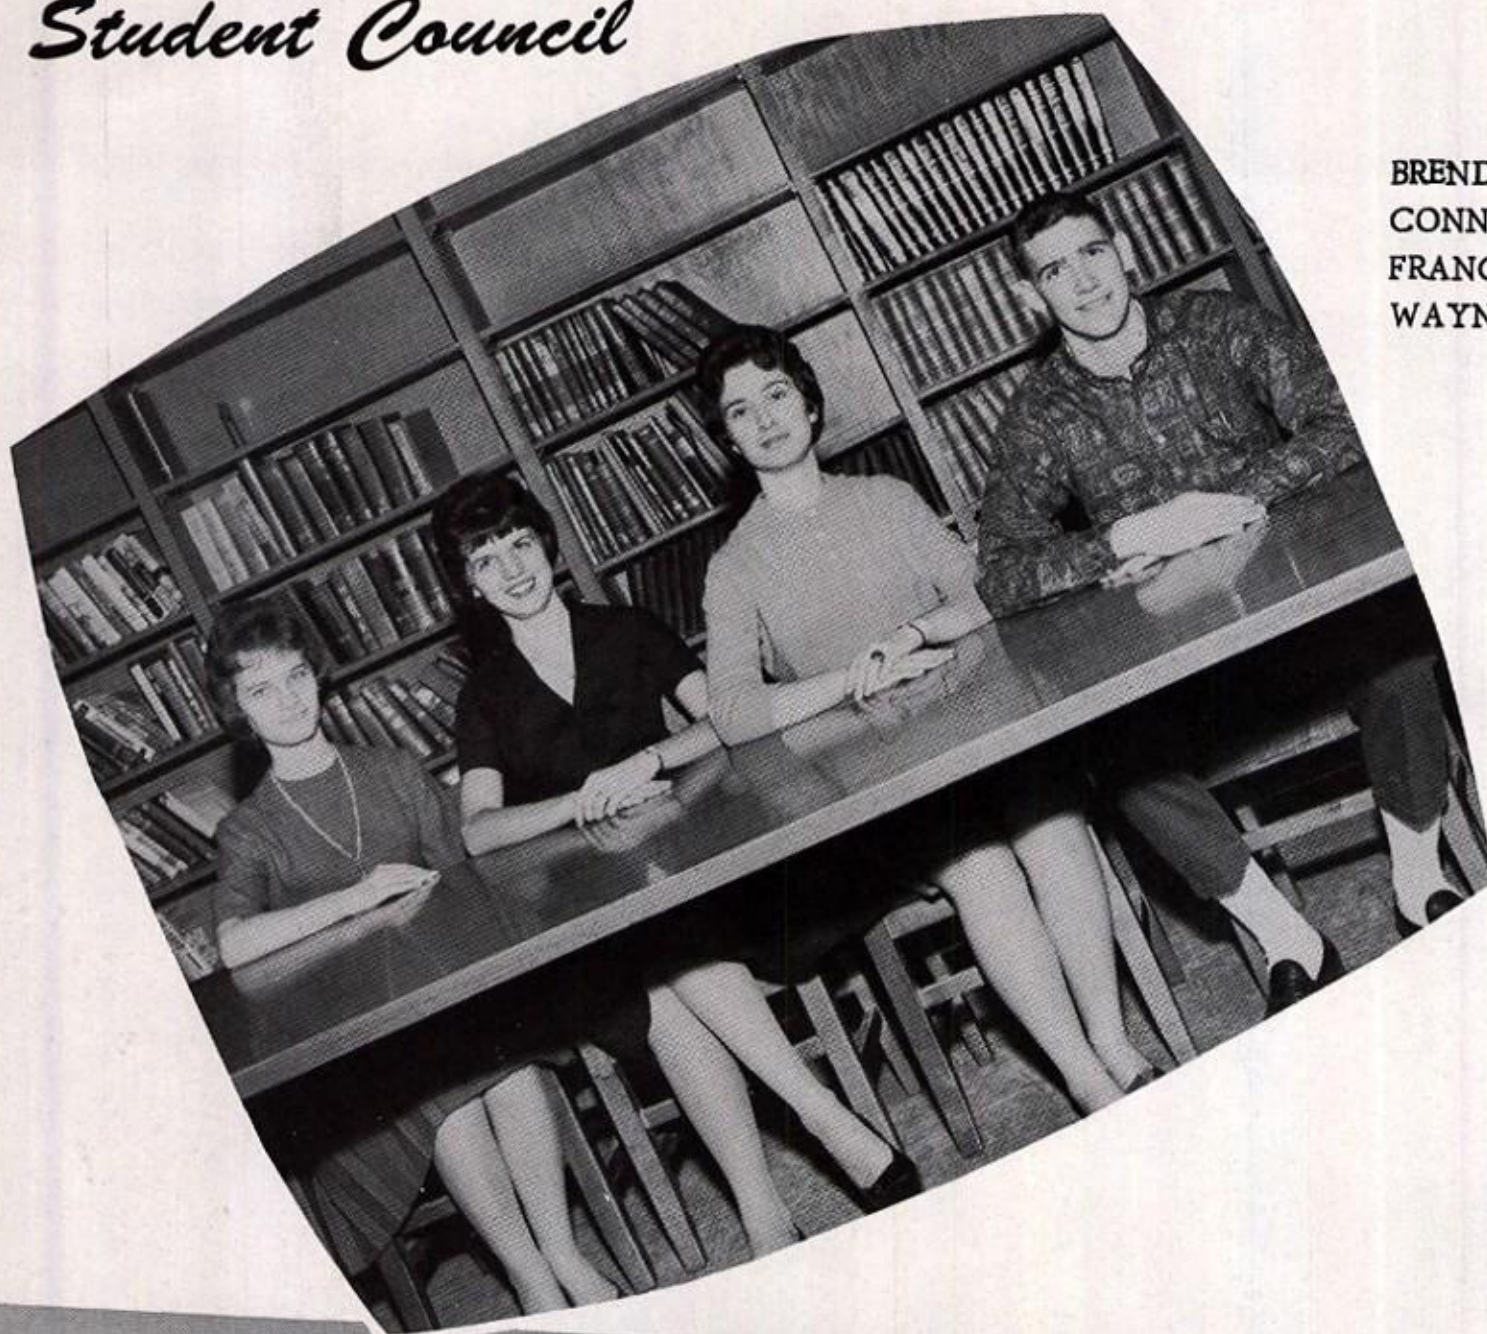

Mrs. Cobb gives
rewarding in-
formation to
Vaughn!

The Counselor's job includes that of helping students gather information about future work programs, about college admissions requirements, college and Business School tuition, and about what courses are offered etc... This work is generally with the juniors and senior students. But beginning with the ninth grade all students are identified via several types of tests as to their level of ability, and this in turn helps the teacher to a better understanding of a student.

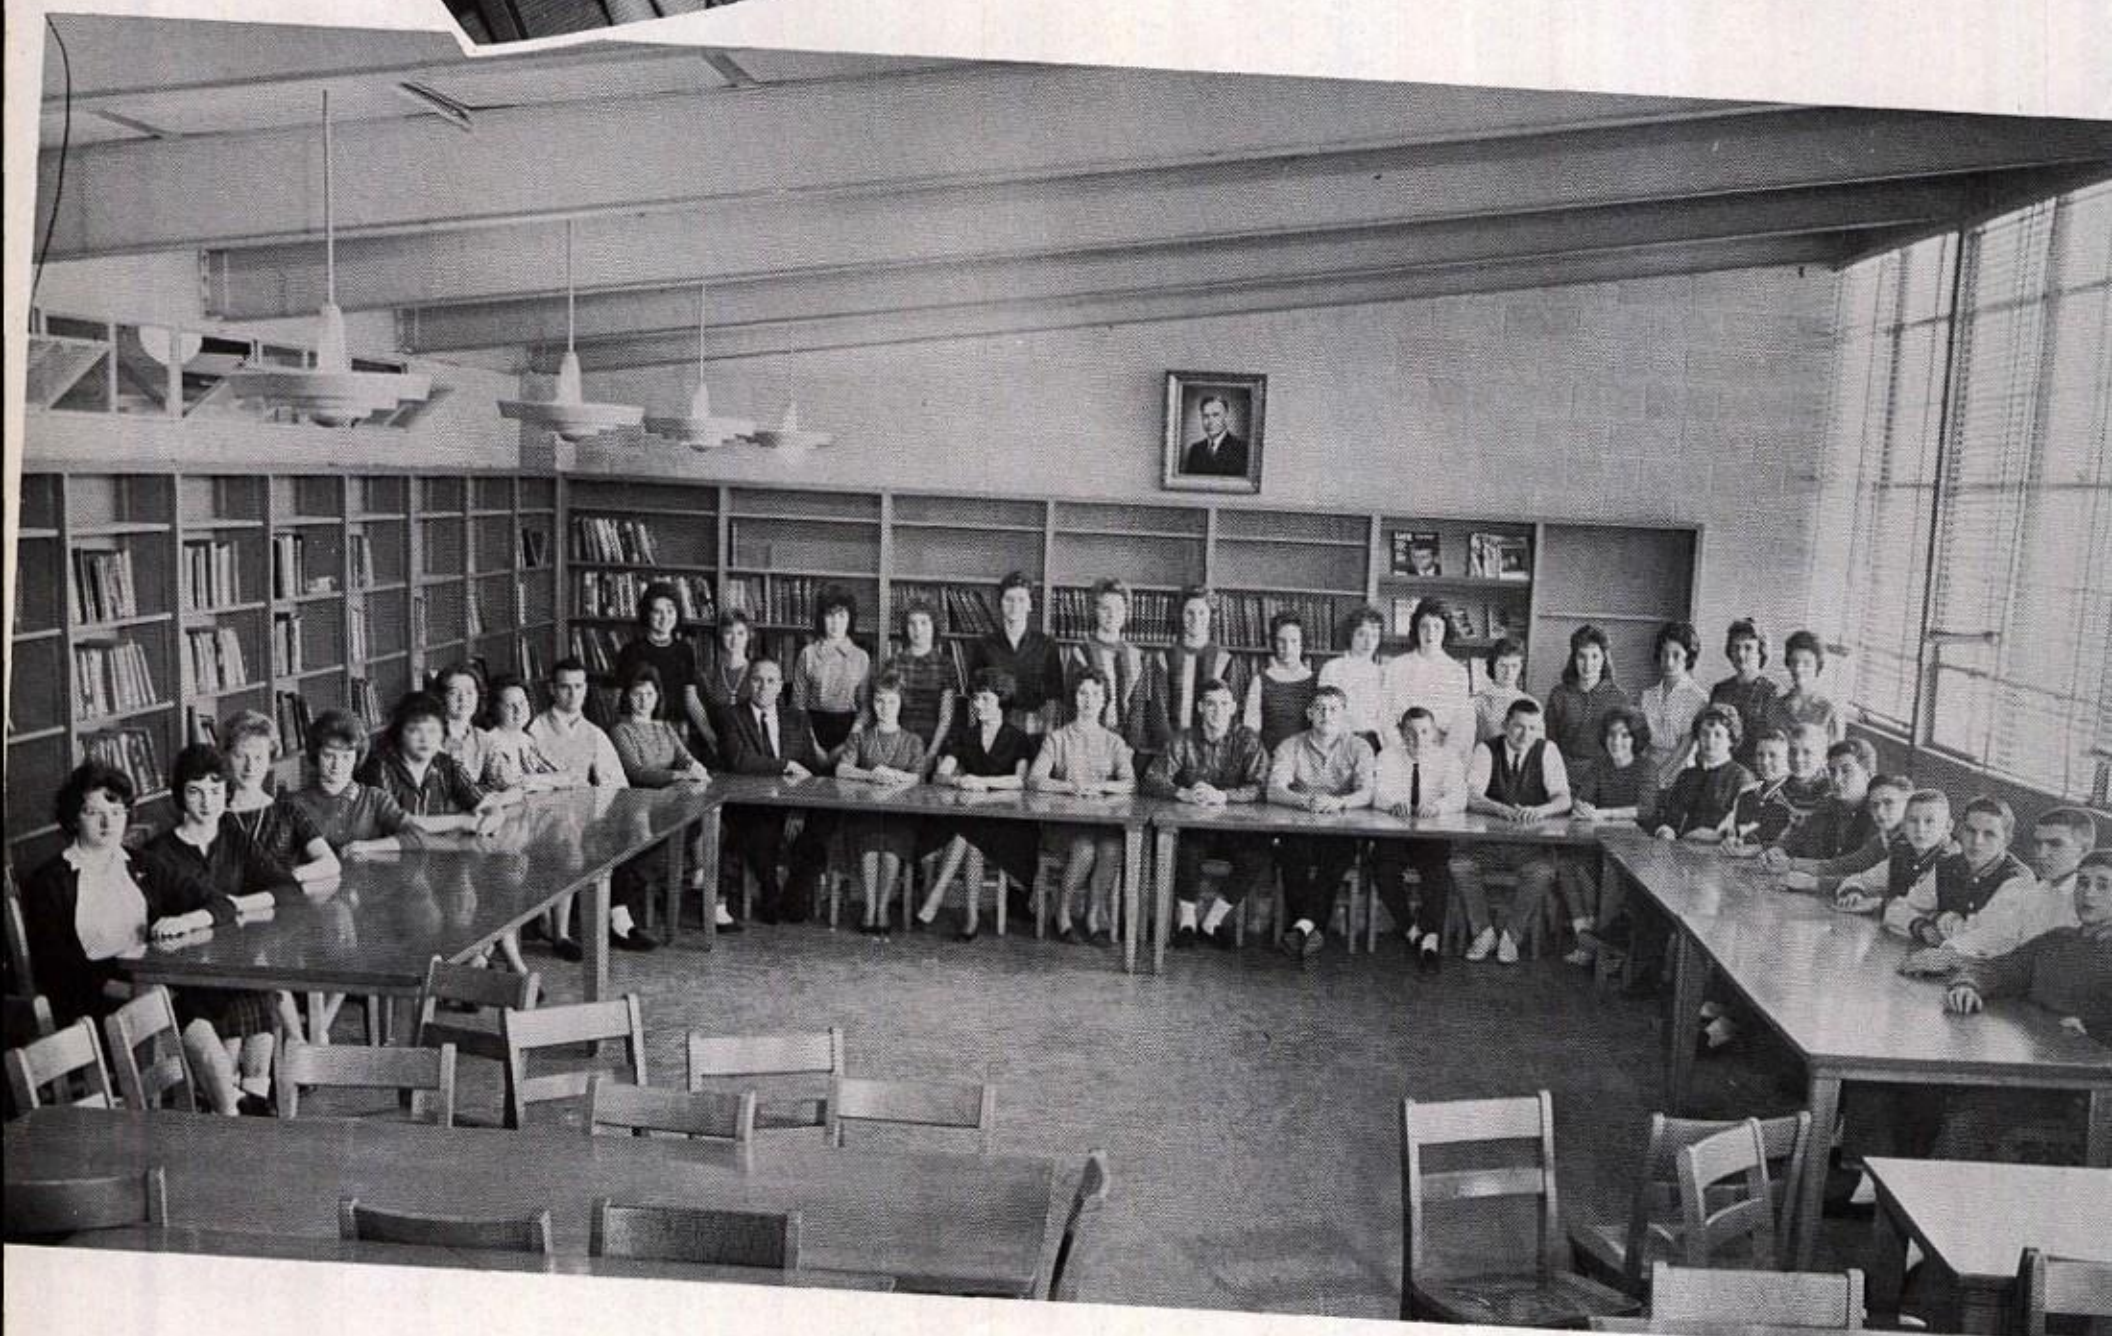

The ultimate goal of the High School Counselor is that of guiding the student so that he may attain his best along the way.

Go stand in the corner!

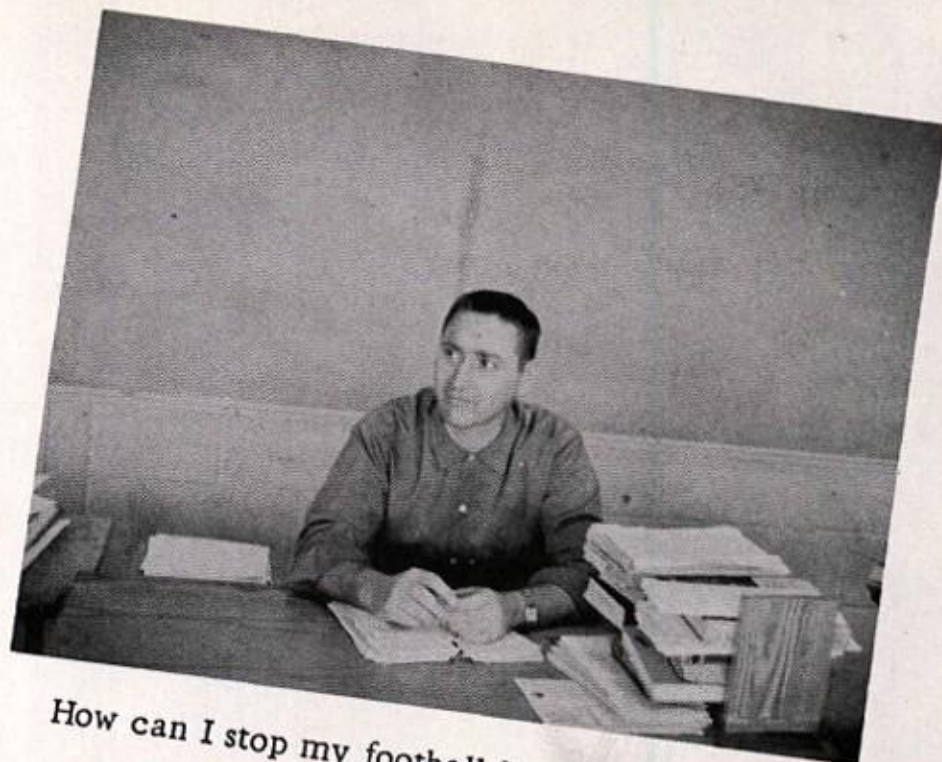

It'll wind seventy in second gear.

Let's get those articles in for the paper.

If you don't get it in high school, you can't get it in college.

You boys go to class!

This is a study period, not a talking period.

You see what I'm driving at?

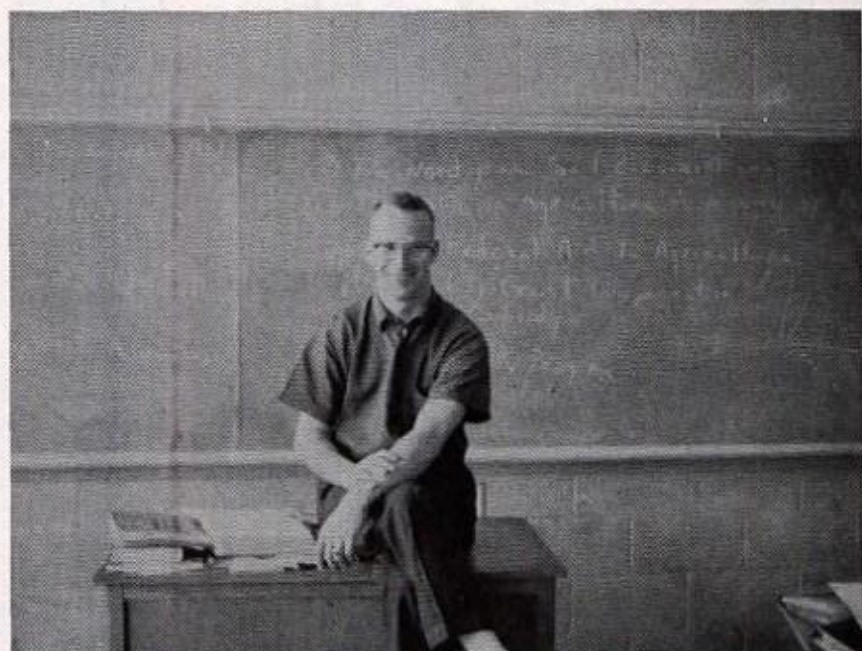

But I'm particular about my picture!

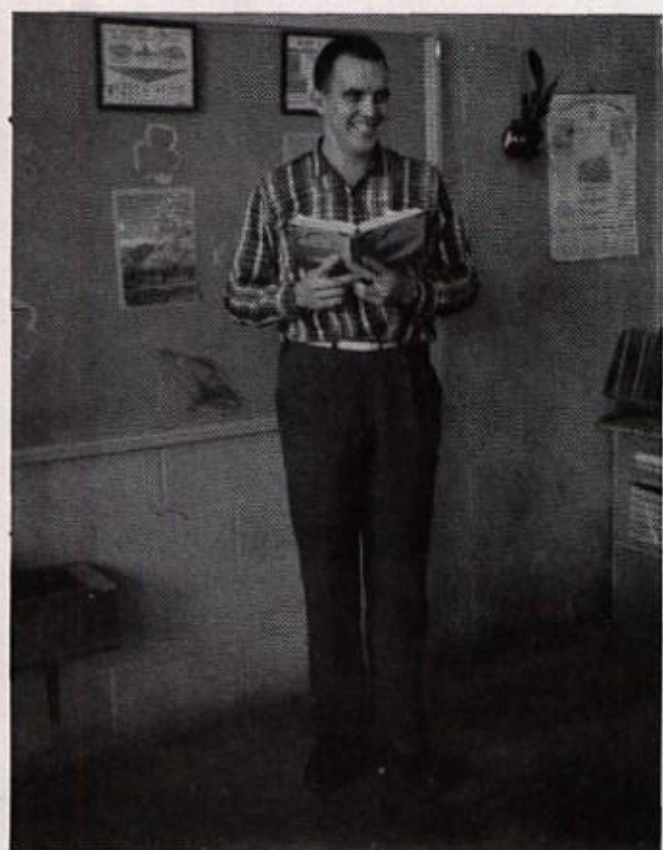

I'll never sponsor another annual!

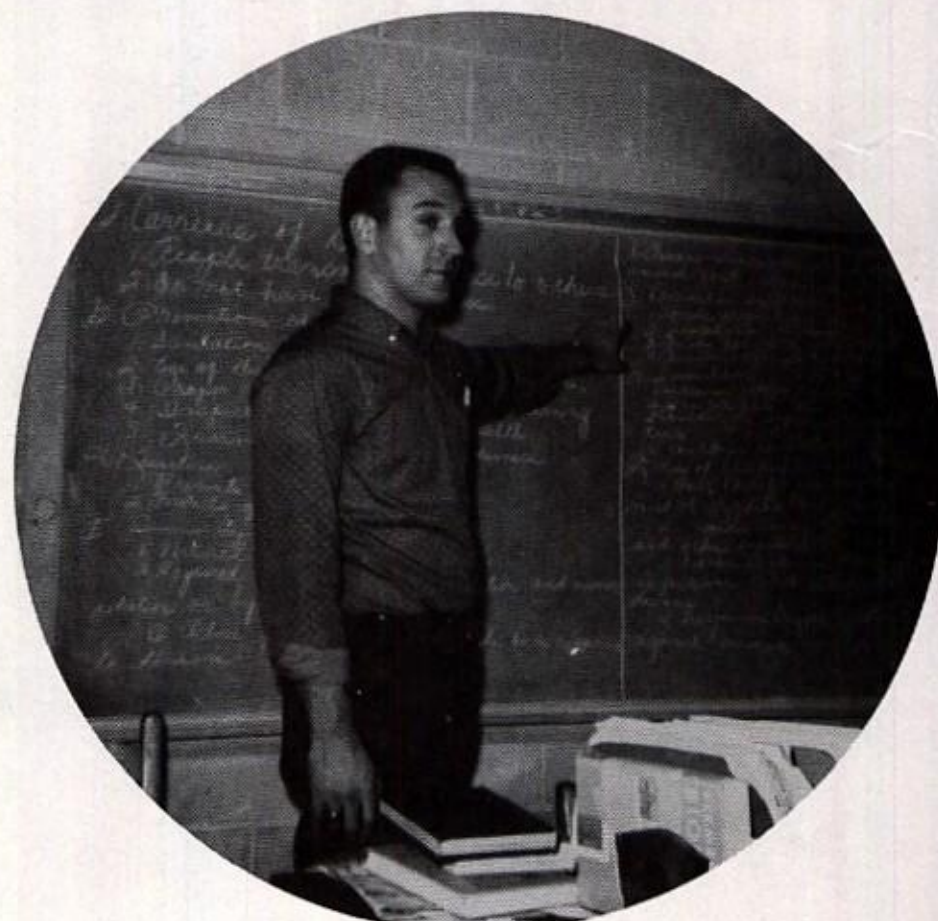

One more time and you're going out of here.

Are you doing anything Saturday night?

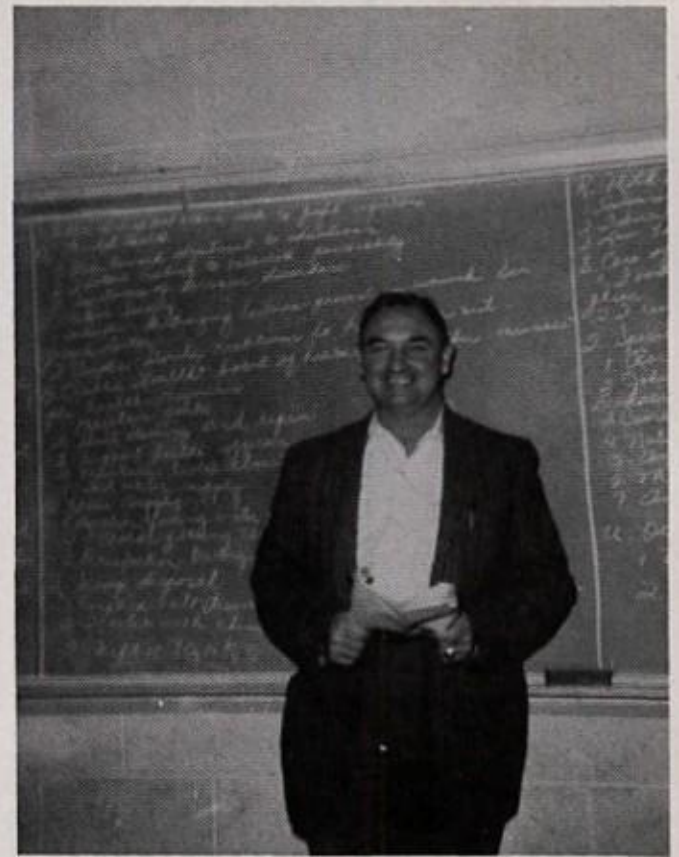

I'll bet you can't work this problem.

Aw, Shucks!

Ralph Jay, would you please be quiet?

If I could just keep my basketball boys away from the girls!

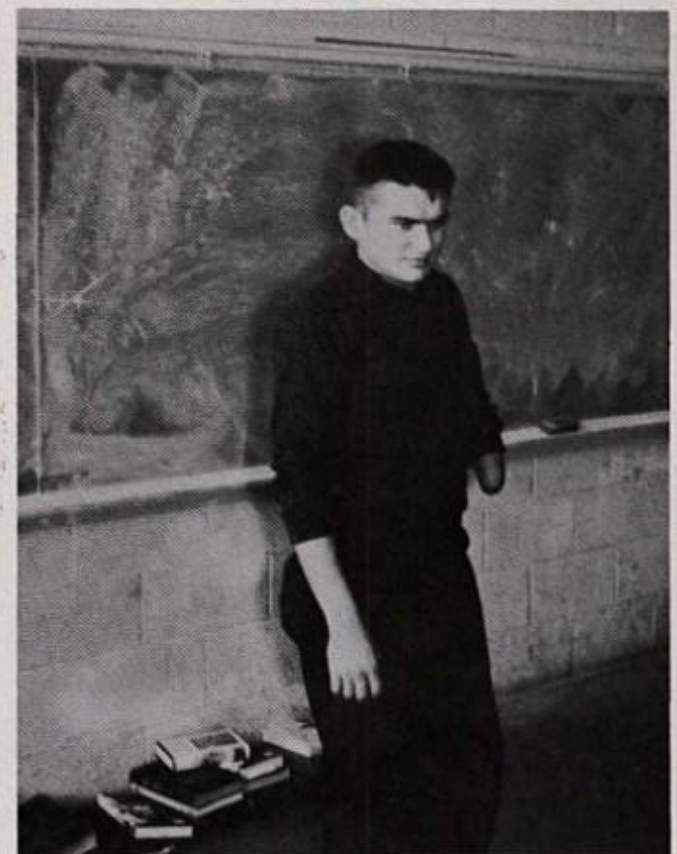

Well, I don't know, but ---

Be sure and return the screw driver.

Yes, I used to be a majorette --- Why?

Hey, Wood, let's go take a smoke.

In Memoriam

JERRY BROWN

KENNETH THORNTON

"Death is the liberator of him whom freedom
cannot release; the physician of him whom medicine
cannot cure; the comforter of him whom time cannot
console."

The staff of '62 with great sadness set aside this
memorial for two true friends who have gone before
us.

Each departed friend is a magnet that attracts us
to the next world.

Shadow Staff

We, the annual staff, are proud to present to you our finished pride and joy - The 1962 Shadow. We have tried to catch a glimpse here and there of the past year, so that in years to come the activities of our 1962 school year will not dim and will not fade from memory.

In later years, while turning these pages, if you should recall the many smiles, sorrows, and dreams of '62, we shall be content, knowing we have done the things we were called upon to do -

"It's unwise to pay too much, but it's worse to pay too little. When you pay too much, you lose a little money - that is all. When you pay too little, you sometimes lose everything, because the thing you bought was incapable of doing the thing it was bought to do. The common law of business balance prohibits paying a little and getting a lot - it can't be done. If you deal with the lowest bidder, it is well to add something for the risk you run, and if you do that you will have enough to pay for something better."
